

# **A VISIT TO THE RENOVATED LAND REGISTRY OFFICE IN MOSTAR**

07.05.2022 18:46

The delegations of the Federal Administration for Geodetic and Real Property Affairs, City of Mostar and Cantonal Ministry of Justice have visited renovated premises of the Land Registry office in Mostar on 6 May 2022.

The premises have been renovated and equipped within the Real Estate Registration Project funded by World Bank. As a part of the Real Estate Registration Project overall activities, 29 land registry and cadastral offices were renovated and equipped in accordance with the highest standards, which significantly improved the quality of services, improved the working environment and work organization.

At the end of this meeting the representatives of the Land Registry office, Mayor of the City of Mostar Mr. Mario Kordic, President of the City Council Mr. Salem Maric, Cantonal Minister of Justice Mr. Suad Balic and Judge Ms. Elma Brcic Rozajac have expressed gratitude and satisfaction to the Federal Administration for Geodetic and Real Property Affairs for the support provided from the project funds.

The delegation of the Federal Geodetic Administration was led by Mr. Zeljko Obradovic, Director.
