13.10.2017 10:49

WORLD BANK

World Bank Project Team is on a regular mission to the Land Administration Institutions in Bosnia and

Herzegovina. From 16 to 18 October they will visit the Federal Administration for Geodetic and Real Property Affairs, and the main objective of the visit is an overview of Project progress in the Federation of Bosnia and Herzegovina.

The main Project activities are harmonizing cadastral and land registry data in the urban areas of the Federation of Bosnia and Herzegovina.

The World Bank Team and the management will conduct a comprehensive assessment of the Project implementation progress.
