

Certificate of appreciation awarded to the Federal Geodetic Administration and Director Željko Obradović

18.12.2023 14:07

The ceremonial promotion of the Bachelors of Civil Engineering, Architecture and Urbanism, Geodesy and Geoinformatics, Masters of Civil Engineering, Dean's Awards and Certificates, was held on December 15, 2023 at the Faculty of Civil Engineering, Architecture and Geodesy of the University of Mostar.

On that occasion, the Federal Geodetic Administration and Director Željko Obradović received Certificates of Appreciation for their contribution to the development of the Faculty of Civil Engineering, Architecture and Geodesy of the University of Mostar.

The Faculty of Civil Engineering, Architecture and Geodesy and the Federal Geodetic Administration have signed the Cooperation Agreement that establishes partnership relations in the field of science and higher education in the way that Administration organizes teaching classes and professional practice for

students and teaching staff, within their capabilities and by connecting practice, science and research work.
