Capacity Building for Improvement of Land
Administration and Procedures in Bosnia and Herzegovina

- CILAP project -

The “Capacity Building for Improvement of Land Administration and Procedures in Bosnia and Herzegovina” – CILAP project was extended by decision of the Swedish International Development Cooperation Agency until 31 December 2022.

CILAP Project is a long term project with an aim of capacity building and transfer knowledge with the overall objective to increase the effectiveness and reliability of land administration process in Bosnia and Herzegovina. The Project objectiveness is to contribute the efficient land administration, to economic and social development, sustainable market and usage of real estates, and BH accession to EU.

The project main goal is to make the Land Administration system more efficient, secure and reliable.

The CILAP Project will support following areas until the end of 2022:

- Support to the strengthening of land administration organizations, development of human resources, relevant legal framework and project management
- Support to the Establishment of Address register,
- Support to the Establishment of Sales Price Register,
- Support to the Development of Geodetic Infrastructure,

All the information concerning CILAP Project you can find on the official web site <http://www.cilap-project.org/>.
