The Federal Administration for Geodetic and Real Property Affairs, as the coordinating body of the Spatial Data Infrastructure in the Federation of Bosnia and Herzegovina, is organizing the fifth conference "Days of Spatial Data Infrastructure of the Federation of Bosnia and Herzegovina," from October 17th to 18th, 2024, in Neum, at the Sunce Hotel.

Detailed information about the conference (program, invited lectures and speakers) will be published in the second announcement during September. The conference will feature lectures and presentations by renowned experts from the Kingdom of Sweden and the Netherlands, as well as from the region and Bosnia and Herzegovina, including the private and academic sectors.

The Federal Administration for Geodetic and Real Property Affairs invites all interested participants to plan the mentioned conference dates and to follow all announcements and notifications regarding registration and participation in the coming period.
