Continuation of the survey renewal project in the area of the municipality of Ilidža
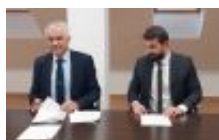

01.09.2022 21:54

As part of the continuation of the implementation of the project "Renewal surveys in the area of the municipality of Ilidža" and the Agreement on joint financing of public procurement, the framework agreement for the provision of survey renewal services for the cadastral municipalities of Blažuj, Butmir, Hrasnica and Osijek was signed. At the same time, based on the framework agreement, the first Contract for the provision of survey renewal services was signed for the start of work on two cadastral municipalities (Blažuj and Osijek).

The consortium of Geobiro d.o.o. Konjic and Geodet d.o.o. Sarajevo was selected as the most favorable bidder. The signing of the framework agreement and the contract was attended by the director of the Federal Administration for Geodetic and Property Affairs Željko Obradović, the mayor of the municipality of Ilidža Nermin Muzur and the representative of the service provider Enes Jahić.

The continuation of the survey renewal project includes cadastral municipalities and works aimed at establishing new, accurate and reliable cadastral records that will be used during the establishment/replacement of the land register.

In the course of 2022, work is planned on the preparation and aerial photogrammetric recording of the cadastral municipalities of Blažuj and Osijek, while the start of work on the cadastral municipalities of Butmir and Hrasnica is planned for 2023. The framework agreement envisages the completion of all works on the subject cadastral municipalities by 31st December 2024

The Federal Administration and the municipality of Ilidža continue their successful cooperation, both on the renewal of the survey and on other projects that the Federal Administration implements together with local self-government units in the territory of the Federation of Bosnia and Herzegovina.
