

## **Director of the Federal Administration for Geodetic and Real Property Affairs on the opening ceremony of XIX. Days of Croatian surveyors**

13.05.2019 12:15

The XIX. Days of Croatian Surveyors was held in Seget Donji, Trogir from 9 to 12 May. This year's encounter offered a series of quality lectures as well as good cultural and sports content.

It should be emphasized the session entitled “Condition, actualities and challenges in geodetic sector” within which were held a lecture by the Dean of the Faculty of Geodesy Zagreb Mr. Damir Medak, the President of the Chamber Mr. Željko Perić, the President of the Croatian Geodesy Society Mr. Vladimir

Krupa, the Director of the State Geodetic Administration Mr. Damir Šantek. Within this lecture were presented current and planned activities in geodetic sector and it was pointed out high quality cooperation of all stakeholders in the geodetic sector.

Director of the Federal Administration for Geodetic and Real Property Affairs Mr. Željko Obradović attended the opening ceremony of the XIX. Days of Croatian Surveyors. Through the conversation with the Director of the State Geodetic Administration Republic of Croatia Mr. Damir Šantek, Director Obradović arranged a visit of the representatives of State Geodetic Administration Republic of Croatia to the Federal Administration for Geodetic and Real Property Affairs, so that the good institutional cooperation of these two administrations would continue.
