Education within the RERP AF Project in City of Bihac

14.10.2021 13:06

First in a series of planned educations within the Real Estate Registration Project - Additional financing (RERP AF) was held in city of Bihac on 13-14 October 2021.

During the education was presented actualities and future activities of the Federal Administration for Geodetic and Real Property Affairs, as well as activities of the Real Estate Registration Project-Additional financing with special reference to the main project activity- harmonization between cadastral and land registry data. Representatives of the Federal Geodetic Administration and hired consultants of the RERP AF Unit also presented the Rule book on satellite measurements in geodesy, the Rule book draft on recording details, the Rule book on utility cadaster and the Rule book draft on maintaining survey and real estate cadaster.

The target group of held education were employees of the cadaster services, commission representatives and representatives of private geodetic practice from the area of Una - Sana Canton.

As a part of the Education Plan of the RERP AF 2021 project, the trainings are also planned in Tuzla, Sarajevo, Mostar, Zenica and Livno during October/November 2021, with a larger number of trainings that will be held online due to the circumstances caused by the Covid-19 pandemic.
