

FINAL MEETING WITHIN THE WORLD BANK SUPERVISORY MISSION

07.05.2021 11:01

Representatives of the Federal Administration for Geodetic and Real Property Affairs held several meetings with the World Bank representatives on 19-21 April 2021, as well as final meeting on 5 May 2021. Due to the circumstances caused by covid-19 pandemic, all meetings were held via electronic communication channels.

At the end of the meeting, it was expressed big satisfaction with achieved results and given support to the entity geodetic administrations for further realization of strategic goals especially of the harmonization between land registry and cadastral data, which is a priority activity.

It was also discussed the possibility of Project extending after the 31 July 2022 which is the currently defined completion of the project.
