

GENERAL ASSEMBLY AND A SEMINAR OF THE COUNCIL OF EUROPEAN GEODETIC SURVEYORS - CLGE

03.10.2017 14:20

General Assembly of the Council of European Geodetic Surveyors – CLGE and the seminar entitled "Open Data-a chance for the private sector?" were held in Potsdam, Germany on 28-30 September 2017.

The Council of European Geodetic Surveyors gathers geodetic institutions and associations from private and public sector, from 41 countries. The Federal Administration for Geodetic and Real Property Affairs is in the Council since 2017 as an associate member, which represents a big honor and opportunity to acquire the new knowledges, exchanging experiences, promotion of the activities and projects of the Administration.

Behalf of the Federal Administration for Geodetic and Real Property Affairs on the General Assembly was Mr. Nedžad Pašalić, the Assistant Director for Geoinformatics.
