Handover of the geodetic equipment in the Federal Administration for Geodetic and Real Property Affairs

10.12.2019 08:36

Handover of the geodetic equipment in the Federal Administration for Geodetic and Real Property Affairs was organized on 9 December 2019.

The public procurement procedure of geodetic equipment was successfully completed, which has been purchased for six geodetic and cadastral municipal services through joint financing, and authorized representatives of those six municipalities and cities (City of Zenica, City of Goradze, Municiplities of Grude, Bosanska Krupa, Maglaj and Vogosca) have signed the certification of equipment delivery, and took over the GNSS and TS equipment. For three municipalities were reserved GNSS, and for three

municipalities the TS equipment.

The equipment was provided form the Real Estate Registration Project (RERP), which is funded by the World Bank's loans. The equipment was purchased in order to provide more efficient and better functioning of the geodetic and cadastral municipal services.
