17.01.2018 13:23

The IMPULSE national workshop „Presentation of the draft version of FBiH Spatial Data Infrastructure Law“ was held in Mostar on 16 January 2018. Representatives of 22 FBiH institutions, representatives of the Federal Administration for Geodetic and Real Property Affairs and Republic Administration for Geodetic and Real Property Affairs participated on this workshop. Director of the FGA Mr. Željko Obradović welcomed all participants and pointed out the importance of sharing data, results and positive activities of the SDI FBiH Council, and informed participants that this workshop is just a beginning of

educations and workshops in the spatial data field.

Mrs. Slobodanka Ključanin, the IMPULSE project coordinator in FBiH presented project activities and pointed out the importance of creation the Spatial Data Source Register and Register of SDI Entities, and services and portals establishment.

An Swedish Geodetic Administration expert, Mr. Anders Ryden presented experiences from Sweden about SDI Law, and some issues was agreed by constructive discussion. Mr. Igor Vilus from State Geodetic Administration of Republic of Croatia presented the INSPIRE directives implementation and through concrete examples, development of this Law in Croatia.

After those introductory presentations, the working Group for Institutional and Legal Issues President Mr. Goran Brkić, presented the draft version of FBiH Spatial Data Infrastructure Law. All participants of this workshop together with SDI FBiH Council members, gave comments and some of the Law Articles were agreed. The most important is to emphasize that the examples from other countries about preparing this Law were collected.

The Contractor on the Project of forming the Spatial Data Source Register and Register of SDI Entities, Mr. Zlatko Modrinić presented Project results. An analysis of the collected data was carried out, and pointed out the need for more active work of the SDI subjects in this area.

After the presentations and discussions, it was concluded that more workshops like this should be held, in order to achieve a common goal- the SDI FBiH establishment.
