

Land Consolidation project in Odzak Municipality

23.09.2020 11:19

Representatives of the Federal Administration for Geodetic and Real Property Affairs and representatives of the contractor „Trafficon company“ have visited cadastral municipalities Gornji and Donji Svilaj regarding the Land Consolidation project in upcoming period. The scope of the Land Consolidation is located in the "retention" area on approximately 1055 Ha with about 3700 plots where the land cadaster is in force.

The reconstruction of geodetic network, recording of Land Consolidation and update of geodetic situation is currently underway, in order to start the design of the boards, as well as road and canal network. The deadline for finishing of the project documentation is December 2020.
