

MEETING BETWEEN DIRECTORS OF ENTITY ADMINISTRATIONS FOR GEODETIC AND REAL PROPERTY AFFAIRS

09.12.2020 14:08

A meeting between Directors of Entity Administrations for Geodetic and Real Property Affairs, Ms. Bosiljka Predragovic and Mr. Zeljko Obradovic and CILAP Project Director Ms Andja Zimic was held in the premises of the Federal Administration for Geodetic and Real Property Affairs on 9 December 2020.

The meeting was held with an aim of review current and future joint activities and projects, especially the Real Estate Registration Project which is financed by World Bank's credit loans. The Real Estate

Registration Project is in the final phase and additional financing activities have been already initiated, especially the activities related to the harmonization between cadastral and land registry data.

The gravimetric measurements and High Precision Leveling Network HPLN III Project are in progress and the Geoid calculation is in the common interest of the two administrations. Directors of entity administrations and CILAP Project Director, Ms. Andja Zimic were also discussed the Address register, Sales Price Register, Digital Archive activities supported by CILAP Project.
