

Meeting Held on Land Administration Projects in Kiseljak

16.04.2026 13:08

On April 16, 2026, a working meeting was held at the premises of the Municipal Court in Kiseljak, attended by representatives of the Municipal Court, the Municipality of Kiseljak, the Federal Administration for Geodetic and Real Property Affairs, and the Cantonal Administration for Geodetic and Real Property Affairs of Central Bosnia Canton.

During the meeting, the activities carried out so far were reviewed, with a particular focus on the establishment and replacement of the land register based on data from the new survey. It was emphasized that preparatory activities are currently underway for the transfer and establishment of the land register for the cadastral municipality of Višnjica.

After that, the transfer and establishment, i.e. replacement, of the land register for the cadastral municipality of Kiseljak is planned. The process of public display of data for this cadastral municipality was completed in March 2026, and the data have been officially put into use in the cadastre. The Municipality of Kiseljak will also initiate activities related to the establishment of a Utility cadastre, the implementation of which is planned in the near future.

All parties expressed satisfaction with the progress achieved so far in the implementation of land administration projects in the Municipality of Kiseljak, and agreed on the next steps and activities for their implementation.
