MEETING IN CITY OF LJUBUŠKI

02.08.2024 12:25

Director of the Federal Geodetic Administration, Mr. Željko Obradović together with his assistants, Mr. Denis Tabučić and Mr. Sead Hadžić held a working meeting with the City mayor Mr. Vedran Markotić and his associates in the premises of the City of Ljubuški.

On the territory of the City of Ljubuški, many activities have been started within the projects implemented by the Federal Administration for Geodetic and Real Property Affairs in cooperation with the City. Within the Real Estate Registration Project, the harmonization of cadastral and land registry data covers 18 cadastral municipalities, and the Address Register has been established on the territory of the entire City, while the Sales Price Register functions properly in cooperation with the Tax administration office.

The participants also discussed the possibilities of realizing the Utility cadastre project as well as the status of the Digital Archive project, within which the software application has been installed, training has been carried out and data entry is expected soon. During this visit, a GNSS rover was handed over to the employees of the cadastre service for geodetic and real property affairs.
