

# MEETING IN MUNICIPALITY KISELJAK

29.03.2023 16:31

Director of the Federal Geodetic Administration Mr. Željko Obradović and Assistant Mr. Sead Hadžić visited Municipality Kiseljak on March 29, 2023 and held a meeting with the municipality mayor Mr. Mladen Mišurić-Ramljak and his associates.

Topic of the meeting was analysis of current activities of the land administration sector in Municipality Kiseljak. The public exhibition of data regarding survey and cadastral classification of land was successfully realized in two cadastral municipalities Orahovo and Gromiljak, and it was agreed to continue the public exhibition for two more cadastral municipalities Kiseljak and Višnjica. The Address register has been fully implemented in Municipality Kiseljak, and participants also discussed the Digital Archive

establishment.

At the end of the meeting it was expressed great satisfaction with the cooperation between Federal Administration for Geodetic and Real Property Affairs and Municipality Kiseljak in the preparation and realization of projects and activities of the land administration sector.
