

Meeting Obradović - Mulahusić

09.09.2015 09:35

A meeting between Director of the Administration, Željko Obradović, and Head of the Department of Geodesy of the Civil Engineering Faculty of the University of Sarajevo, Prof. Dr. Admir Mulahusić, was held in the offices of the Federal Administration for Geodetic and Real Property Affairs of FBH.

Director Obradović briefed Mr. Mulahusić on the Administration's current activities, particularly in implementation of the crucial projects in the land administration sector in the Federation of BH, as well as on its future planned activities, particularly in the legislative field. Cooperation between the Administration and the Department of Geodesy was also discussed, noting their insufficient cooperation so far, and concrete activities were agreed to improve cooperation of these two very important stakeholders in

the geodetic and cadastral sector. To this end, it was agreed that representatives of the Federal Administration for Geodetic and Real Property Affairs of FBH would visit the Department of Geodesy of the Civil Engineering Faculty.
