

Meeting of the Impulse project national coordinators

21.01.2019 10:54

A meeting of the IMPULSE project national coordinators was held in Gävle, Kingdom of Sweden on 16-17 January 2019. On behalf of the Federal Administration for Geodetic and Real Property Affairs was Mrs. Slobodanka Ključanin, Impulse Project national coordinator for Federation of Bosnia and Herzegovina.

At the beginning of this two-day meeting, a new Director for International Cooperation Mr. Anders Sandin presented himself and addressed all attendees. After the introductory speech, participants were working on harmonization of activities, regarding that project was prolonged till the end of 2019. The meeting was also used for suggestions for improvement, harmonization of the working plan, and discussion on other topics related to further project implementation. Project coordinators also briefly introduced current activities, initiatives and projects within each agency to their colleagues from the region.

A meeting of the Impulse project coordinators also served as a preparation for the joint meeting of all directors of agencies for cartography and cadastre of Western Balkan region with the Lantmäteriet Director, which will be held on April 2019 in Skopje, Macedonia.
