

## **MEETING WITH REPRESENTATIVES OF THE CITY OF BIHAĆ**

28.01.2026 14:33

On January 28, 2026, a meeting was held between the Federal Administration for Geodetic and Real Property Affairs and representatives of the City of Bihać. The meeting was attended, on behalf of the

Federal Administration, by Director Mr. Željko Obradović together with his associates, while the City of Bihać was represented by Mayor Mr. Elvedin Sedić and his associate.

During the meeting, activities being implemented within land administration in the area of the City of Bihać were discussed, with special emphasis on the establishment of the real estate cadastre. Currently, activities related to the establishment of the real estate cadastre are underway for the cadastral municipalities of Donja Gata and Gornja Gata, through the procedure of public display of data regarding survey and cadastral classification of land.

In addition, preparatory activities are underway for the public display for the cadastral municipalities of Kulen Vakuf, Martin Brod, and Ostrovica. Furthermore, activities related to the preparation for establishing the real estate cadastre for the cadastral municipalities of Čukovi and Doljani have been agreed.

Both sides expressed satisfaction with the activities regarding the establishment of the real estate cadastre and reaffirmed their commitment to further intensifying cooperation, with the aim of creating a new, up-to-date, and accurate real estate records for the area of the City of Bihać.
