# MEETING WITH REPRESENTATIVES OF THE CITY OF LIVNO

21.02.2025 13:30

A meeting of representatives of the Federal Geodetic Administration and representatives of the City of Livno was held in the premises of the City Administration on February 21, 2025. The meeting was attended by the Director, Mr. Željko Obradović and the Assistant Director, Mr. Sead Hadžić, and the City Mayor, Mr. Darko Čondrić and his associates.

The topic of the meeting was the current state of the land administration sector and the implementation of projects and activities implemented by the Federal Administration in cooperation with the City and Municipal Court of Livno. Within the "Real Estate Registration Project", eleven cadastral municipalities

have been harmonized, and the cadastral and land registry offices have been equipped with the necessary equipment.

The address register has been established, the utility cadastre has also been established, and the sales price register is functioning in cooperation with the Tax administration. A digital archive has been established as well, the necessary training has been held, and it is necessary to start entering data into the database. During the meeting, it was also highlighted the need to finish the land consolidation started on the territory of Livno.

The process of public exhibition of data is of particular importance for the City of Livno. So far, five cadastral municipalities have been exposed, and the exhibition is ongoing in the cadastral municipalities Livno II Livno III. It was agreed to continue the process within the new GIVE project for five cadastral municipalities (Livno I, Žabljak, Drinova Međa, Držanlije and Orguz).

Finally, it is necessary to emphasize the very good cooperation of the Federal Administration with the City mayor and city structures, as well as with the Municipal Court in Livno.
