

MEETING WITH REPRESENTATIVES OF THE FEDERAL INSTITUTE FOR AGROPEDOLOGY

06.03.2023 14:35

A meeting between representatives of the Federal Geodetic Administration and Federal Institute for Agropedology was held in Administration's premises. At the meeting participated Mr. Željko Obradović, Director, Mr. Nedžad Pašalić and Mr. Denis Tabučić, Assistant Directors, Mr. Dženan Vukotić, Director of the Federal Institute for Agropedology and Mr. Damir Behlulović, head of the GIS department.

The meeting served for discussion on data exchange between two institutions. The representatives of the Federal Administration for Geodetic and Real Property Affairs presented current land administration projects with special emphasis on the Spatial Data Infrastructure FBiH which particularly interested the

representatives of the Institute due to their more active approach in the role of subject.

At the end of the meeting it was agreed more active mutual cooperation especially in preparation and realization of projects of common importance between two institutions.
