

# **MEETING WITH REPRESENTATIVES OF THE MUNICIPALITY OF ŽEPČE**

17.12.2024 21:41

The Director of the Federal Geodetic Administration, Mr. Željko Obradović, and the Assistant Director,

Mr. Sead Hadžić, held a meeting with the Mayor of the Municipality, Mr. Mate Zovko and his associates on December 17, 2024. The topic of the meeting was the continuation of the activities in the land administration sector on the territory of the Municipality of Žepče.

The central issue was the possibility of continuing the public exhibition of data regarding survey and cadastral classification of land, and the harmonization of cadastral and land registry data. It was agreed that a concrete and coordinated plan for the continuation of the public exhibition will be prepared in the coming period, considering financial and human resources potential, and it is expected that public exhibition activities will begin in the first half of 2025. It is also necessary to speed up the process of marking streets and squares, as well as complete the establishment of the address register and the digital archive on the territory of the municipality.
