

## **MEETING WITH THE MAYOR AND REPRESENTATIVES OF MUNICIPALITY ODŽAK**

16.03.2017 10:05

In the premises of the Federal Administration for Geodetic and Real Property Affairs a meeting was held on March 15, 2017 between representatives of Federal Geodetic Administration headed by Mr. Željko Obradović, director and representatives of Municipality Odžak headed by Mr Jakov Ivanković, municipality's mayor.

During meeting they have discussed the implementation of existing and preparation of new projects within Land Administration sector in Odžak.

The current project regarding land consolidation has been completed and continuation of same activities for municipality's interesting areas were discussed. Director of the Federal Administration for Geodetic and Real Property Affairs has informed the Mayor and his associates regarding FBiH Government's conclusion concerning development of study- projects of land consolidation in the Federation BiH which is likely to be the basis of new and major investments in the agricultural sector of the Federation of Bosnia and Herzegovina and thereby in Municipality Odžak.

During meeting, also activities regarding establishment of Adress Register in the Municipality of Odžak and preparatory activities and responsibilities related to harmonization of cadastre and land registry data for certain cadastral municipalities within " Real Estate Registration" project have been agreed.
