WORLD BANK

According to the situation caused by the COVID-19 pandemic, the World Bank team will conduct a virtual

review of the Real Estate Registration Project progress in Bosnia and Herzegovina from April 20-27, 2020.

During this virtual project review, the representatives of the Federal Administration for Geodetic and Real Property Affairs and Republic Authority for Geodetic and Real Property Affairs of RS will present implemented activities within ongoing Project, as well as the impact of the COVID- 19 on the implementation of the Project activities.

It will also be discussed the Project activities planned under the additional financing, and their effectiveness is expected after the implementation of domestic approval procedures by the competent institutions.
