

OPEN DAY OF THE RERP AF PROJECT

17.12.2021 14:48

Open Day of the RERP AF project was held in premises of the Federal Administration for Geodetic and Real Property Affairs on 16 December 2021. Main goal of this event was to acquaint citizens with the project activities and the importance of real estate registration, the rights and obligations of property owners to register ownership and co-ownership of their real estate and importance of keeping up-to-date ownership records.

On that occasion, the citizens discussed with the project implementers and expressed opinion on harmonization activities within the Real estate registration project- Additional financing. It was also held an online education "Dissemination of results and discussion on questionnaire about satisfaction of project service users" on which participated almost 80 invited participants together with citizens who visited FGA.
