

Presentation on the Real Estate Registration Project

24.05.2016 12:27

A two day presentation of "Real Estate Registration Project was held in Lukavac at hotel" Senad od Bosne". During the first day on May 19, 2016 was intended for public ombudsmen and representatives from cadastre, real property affairs, spatial planning and construction from municipal offices of Tuzla and Posavina Canton. The second day of presentations, on May 20, 2016 was intended for representatives of the tax offices and branch offices, cantonal ministries, notaries and lawyers from Tuzla and Posavina Canton.

The presentation was opened by Mr. Nedžad Pašalić, Head of the Unit for the Implementation of Real Estate Registration Project, who have presented Project activities, according to its components. Then the presentation was continued by Mr. Ivan Lesko and Mr. Muris Ajanović, consultants for cadastre, Miss. Slađana Katić, a consultant for the Land Administration, Ms. Dijana Brkić, head of the land registry office of the Municipal Court in Tešanj and Mr. Dino Aličić, head of the land registry office of the Municipal Court in Zavidovići, with every aspect of its activities within the Project.

The aim of the presentation was to present Project activities to a wider group of participants, respectively to representatives of municipal authorities, tax offices, notaries, lawyers, as well as key issues relating to

their area of business, for the purpose of active participation in the implementation of the Real Estate Registration Project.
