

## **Signed framework agreement for the digital orthophoto displays 2022**

03.12.2021 13:29

The Framework Agreement for the Digital orthophoto displays of the Federation of BiH has been signed in premises of the Federal Administration for Geodetic and Real Property Affairs by Director of the FGA Mr. Zeljko Obradovic and authorized representative of the contractor, Geobiro Konjic and MGGP S.A. Tarnów, Poland, Mr. Enes Jahic.

The recording will be performed during 2022 as a part of the „Development of Digital orthophoto displays of the Federation of BiH „ project. Orthophoto displays will be made for the entire territory of the Federation of BiH in a resolution of 40 cm.
