Bosnia and Herzegovina

Federal Administration for Geodetic and Property Affairs

Project improvements geospatial infrastructure and estimates values real estate (GIVE)

Notice on the extension of the deadline for delivery, Public call for expressions of interest, consulting services - Loan no. 96760-BA

Position : Cadastré Specialist

Ref. number : BA-GIVE-96760-BA-FBiH-CS-INDV- D.3.1.1.9

Based on Loan no. 96760-BA between Bosnia and Herzegovina and the International Bank for Reconstruction and Development, and for the implementation of the five-year Project for the improvement of geospatial infrastructure and real estate valuation (GIVE) in the Federation of Bosnia and Herzegovina, part of the loan funds is intended for the engagement of consulting services .The goal of the GIVE project is to improve the accuracy and accessibility of land administration information in the Federation of BiH. The project supports the development of geospatial infrastructure, enabling harmonised collection , storage and accessibility of data via a digital platform in line with international standards and improving the real estate valuation system to foster transparency, efficiency and reliability in the real estate market. The project is managed by the Federal Administration for Geodetic and Property Affairs, and the Project Implementation Unit provides day-to-day operational and technical support to the

implementation of the GIVE project.

The cadastral expert will coordinate process harmonization data and verify final reports executor service with by inspection completed works related to harmonization data in the cadastre , provide support in the preparation of business plans, communicate with competent services and institutions, prepare data necessary for making tender documentation and support the integration of cadastral and land registry data.

The Federal Administration for Geodetic and Property Legal Affairs, Unit for the Implementation of the GIVE Project, invites all qualified and interested candidates to express their interest in providing the above consulting services. A cadastre expert must have the following qualifications, skills and experience :

- a) University degree in geodesy;
- b) Minimum 3 years of work experience in performing similar tasks;
- c) Excellent knowledge of the laws of Bosnia and Herzegovina and the Federation of Bosnia and Herzegovina, practices and policies in the geodesy sector;
- d) Ability and skill of coordination and reporting on different activities ;
- e) Excellent reporting, interpersonal and teamwork skills ;
- f) Excellent knowledge and skills in working with MS Office applications;
- g) Knowledge of English, both oral and written;
- h) valid driver's license is desirable .

Preference will be given to candidates with previous experience in the land administration sector and in the implementation of international projects.

In the Declaration of Interest, it is necessary to state the qualifications, skills and experience, evidence that shows the necessary professional qualifications , skills and experience.

A detailed description of the above-mentioned tasks can be found in the Job Description, which is available on the website <http://www.fgu.com.ba>, and additional information can be obtained at the address below.

The attention of interested parties is drawn to Section III, paragraphs 3.14, 3.16 and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers", July 2016, last revised in September 2023, which set out the World Bank's policy on conflicts of interest.

The consultant will be selected in accordance with the method for selecting individual consultants set out in the World Bank's "Procurement Regulations for IPF Borrowers" published in July 2016, last revised in September 2023.

Please submit your letter of interest, along with your CV and proof of qualifications and experience, electronically, in person or by post to the address below no later than the extended deadline, **28 February 2025**.
