

## The presentation of the Implementation Plan for the Price Register

16.03.2015 08:25

Within Component 5 or subcomponent regarding the Real Estate Evaluation presentation of Price Register Implementation plan was held in Mepas hotel in Mostar on 11 of March 2015.

The current situation and benefits of the Price Register, as well as experiences gained through Pilot project on which Implementation Plan is based was presented to the directors and management of both Geodetic Administration by the workgroups from Republika Srpska and the Federation BiH. The importance of the existence of the Price Register for the society and state economy and its link with the Cadastre and Real Estate Records was once more emphasized.

After the presentations from both workgroups, CILAP project Director Ms. Andja Zimić has stressed out that Project will continue to support the activities regarding the Price Register implementation. Also, from management of both Geodetic Administration support for the continuation of mentioned activities and in continuing the CILAP project is requested, on which both directors gave a positive answer.
