8. Other topics;

The Federal Administration for Geodetic and Property Affairs, as the Coordinating Body of the SDI FBiH, worked intensively on the implementation of the activities of the adopted Work Plan on the establishment, maintenance and development of the SDI FBiH for Year 2022. The activities related to establishment of cooperation and the inclusion of stakeholders in the SDI carried out in the previous period were presented to the members of the Council.

Four workshops organized by the Federal Administration for Geodetic and Property Legal Affairs were held, related to capacity building in the area of spatial data infrastructure. During the workshop, the entry of data into the IPP Register was presented as the first step of the inclusion of stakeholders in the SDI. During the workshop, priorities and next steps in achieving cooperation between stakeholders with the Coordinating body were agreed upon. 105 institutions were invited to the workshops, of which 95 people from 69 institutions attended.

In addition, it is planned to hold a Conference "SDI days" in Federation BiH on November 17 and 18, 2022 in Neum in Hotel „Marea“, and most of the funds needed for the realization of the event will be provided by the Real Estate Registration Project and Education Plan for Year 2022.

The main goal of the Conference is to raise awareness among SDI stakeholders, public, private and academic sectors about the benefits of SDI and the use of very valuable sets of spatial data. International participation of representatives from the Kingdom of Sweden, the Netherlands, Croatia and other countries from the Western Balkan region is expected.
