

Visit of students from Secondary Civil Engineering school of Juraj Dalmatinac in Mostar

01.04.2022 14:22

Students from Secondary Civil Engineering school of Juraj Dalmatinac in Mostar have visited Federal Geodetic Administration on 1 April 2022. The visit was organized in the annual university program as a one- day excursion.

Representatives of the Administration, Mr. Ervin Redzepagic and Mr. Jasmin Catic welcomed students and teachers and presented the work, responsibilities and current projects of the Federal Geodetic Administration. Considering that a larger number of students plan to continue their education at the Faculty of Civil Engineering - Department of Geodesy, this presentation was useful for their further

education.

The Federal Geodetic Administration will continue to support of all academic and educational institutions who have an interest in the Bosnia and Herzegovina land administration sector.
