

Working meeting with representatives of City of Bihać - Plan of activities related to the Address Register establishment was agreed

21.06.2018 15:55

For the purpose of formalization of cooperation and realization of activities in order to establish an Address Register a meeting was held in Federal Administration for Geodetic and Real Property Affairs on June 20, 2018. The meeting was attended by representatives of the City of Bihać and members of CILAP project workgroup of Component 2, related to the Address Register.

Representatives of City are acquainted with contractual obligations and activities after signing of

Agreement on Joint Obligations related to establishment and maintenance of Address register data. The City of Bihać is willing to go to the realization of the Project. Municipality will be included in implementation by executing an analysis of the existing settlement system, development of division plan of the streets and squares for all settlements in accordance with the Law, as well as the adoption of municipal decision on the Address system.
