

WORKING MEETING WITH THE FEDERAL MINISTER FOR AGRICULTURE, FISHERIES AND FORESTRY MR. ŠEMSUDIN DEDIĆ

28.07.2022 19:36

The working meeting between Director of the Federal Geodetic Administration Mr. Željko Obradović and his associates with Federal Minister for Agriculture, Fisheries and Forestry Mr. Šemsudin Dedić was held in the FGA premises on 28 July 2022.

At the meeting were presented actualities in the Federal Geodetic Administration work with emphasis on the public exhibition of data regarding survey and cadastral classification of land and the Real Estate

Registration Project activities.

The Land consolidation project of the FBiH territory is of special joint importance for the Federal Geodetic Administration and the Federal Ministry of Agriculture, Fisheries and Forestry, and conclusions have been reached for the realization of future cooperation, which will be proposed to the Government of the Federation of Bosnia and Herzegovina.
