

WORKSHOP RELATED TO THE SALES PRICE REGISTER “FOLLOW UP IMPLEMENTATION AND SUPPORT FOR FURTHER DEVELOPMENT”

12.05.2017 10:32

In accordance with the CILAP Project planned activities during a period of 8-11 May 2017 the workshop within the component 3: Support to the development of Sales Price Register was held in Sarajevo.

Miss Marija Rašković, expert from Serbia and Mr. Söderblom Hans, expert from Sweden regarding this topic, led the workshop. On the workshop, workgroups had presented all conducted activities undertaken for implementation of the Sales Price Register were to experts.

Through the presentation of examples from Serbia related to implementation of the Sales Price Register and examples of cooperation between Sweden Geodetic Administration and Tax Administration in Sweden, the aim of workshop was to give working groups recommendations for planning further activities in Year 2017, taking into account duration of CILAP project.

During the workshop, workgroups were resolving obstacles/specific situation related to full-scale implementation, they have identified risks and created plans to mitigate them, after which together with experts they revised activities related to implementation during this Year.
