

World Bank Mission Announcement

21.03.2022 10:38

As part of the regular monitoring mission, The World Bank Project Team will hold meetings with representatives of Land Administration institutions of Bosnia and Herzegovina during the period from April 4 to 8, 2022. The purpose of mission is assessing the progress of the Real Estate Registration Project - Additional financing.

Representatives of the Federal Administration for Geodetic and Real Property Affairs and the Republic Administration for Geodetic and Real Property Affairs of RS will present the activities implemented so far within the current Project, and at the same time the COVID-19 epidemic impact on project implementation will be discussed.

During the mission, activities and possible scope of tasks within the new Project period for which negotiations are expected to be initiated and realization of domestic approval procedures by the relevant institutions will also be presented.
